Tommie has an extensive football career, having achieved many awards and esteemed honors dating back to high school. The Chicago Bears selected Harris in the first round, 14th overall pick, of the 2004 NFL Draft, and he played for the Bears from 2004 to 2010. In 2004, he finished second in balloting for the Defensive Rookie of the Year award. In only his second NFL season, Harris was selected for the 2006 Pro Bowl for the first time. Tommie last played for the San Diego Chargers and now spends his off field time giving back to the community and raising his two beautiful children. Tommie currently resides in Austin, Texas and continues to win off the field by staying active and being involved with non-profits that give back to the community and the world.

Our goal for this tournament is to provide a fun and enjoyable game of golf with like-minded individuals who have a passion for enriching the lives of those who live with autism. Our effectiveness in the autism community starts with teaming up with Autism Speaks, an organization dedicated to promoting solutions across the spectrum and throughout the lifespan for the needs of people with autism and their families through advocacy and support.

Thanks to fundraising events, Autism Speaks has:

- Been a catalyst for research breakthroughs to improve methods for diagnosing, treating and supporting people on the spectrum
- Increased early-childhood screening and timely interventions
- Improved the transition to adulthood by promoting the well-being, financial security and equal opportunity for adolescents and adults on the autism spectrum
- Ensured access to reliable information and services throughout the lifespan by empowering people with autism, their families and service providers through access to information and referrals

However, there is still work to be done and we need your help to make this event a huge success. We hope that you will partner with our efforts by sponsoring the event, participating in the day's activities, or both. We thank you in advance for your vital support and for your consideration in contributing to our event's overall success. Your support will make a difference in the lives of so many people living with autism and their families.

We are dedicated to maximizing your partnership potential and have many sponsorship opportunities available to best fit your company.
